CUSTOMER RECOMMENDATION LETTER

G.D. Parvin Decorators painted the exterior of my house in July 2012. They responded to my enquiry and provided a quotation promptly. Work was affected by this year's near-constant rain, yet GDPD's decorator was sufficiently flexible to work on a Saturday and Sunday to complete the job. I am very pleased with his outstanding service and the clean and efficient manner in which the work was done. I highly recommend G.D. Parvin Decorators.
